

SUMMUS

Cleansing Foam

How to use

1. Wet your face with water. The skin must be damp before applying the product.
2. Take a small amount of the product in your palm and tap with fingertips to create a good lather, adding lukewarm water if necessary.
3. Using circular motions massage the face and neck skin carefully, working from the center of the face outwards and paying particular attention to hairline, the ala of the nose and chin contour.
4. Thoroughly wash away the remaining foam from the skin.
